

THE BARBARY

Ultimately, we aim to create places that we want to go to, with a great environment, and to do that we need brilliant people to join us.

With all the roles we have available, there will be plenty of scope for the right person to grow within the group. If you don't see what you are looking for but think you'd like to join us in some other manner, please feel free to contact Josh on the email below.

Current vacancies:

We are currently recruiting for a number of positions across each of our London sites. For all kitchen and front of house roles across the company please contact Josh with a copy of your CV and covering letter on josh@thebarbary.co.uk.
